

## Cemeteries by Gary Peck

Much of 2020 involved the finalizing of the Lasalle Cemetery document. Our last newsletter published the 33 names of the volunteers who worked over the past number of years to finalize our work at Lasalle. This has been our most ambitious project.

In the fall, the focus shifted to the updating of Chelmsford St. Joseph, Dowling Maplecrest and Chelmsford Protestant Cemeteries. The intent is that these cemeteries will be published in 2021. Again, a thank you is extended to Pauline Emond and Rochelle True for their weekly volunteering for the Branch Cemeteries committee.
